## Drive It Day - Sunday 26th April

We have been invited to link up with the Staffordshire Centre on the Sunday, for a visit to the Churnet Valley Railway, who will be having a W.W.2 themed weekend.

The railway runs from Cheddleton, near Leek, for 10 miles through the countryside, and is never far from the Caldron Canal, for the walkers amongst us who may wish to stroll along the towpath.

A dedicated parking area is provided, and a wide variety of refreshments are available in the tearoom, which has ample seating.

Morgans at Chatsworth Country Fair, 2009  
4th, 5<sup>th</sup> & 6th September 2009

Chatsworth, is the stately home of the Duke and Duchess of Devonshire, and hosts a country fair in its 1000-acre grounds once every year, offering you a chance to peruse local arts and crafts and buy delicious treats from over 200 stalls. Entertainment includes massed pipe and military bands, demonstrations and parades, hot air balloons and parachuting displays. Country activities to watch and participate in include clay pigeon shooting, archery, and sheep dog trials, fishing competitions and casting tuition. Over the course of the weekend in excess of 100,000 people visit this prestigious event. This year the High Peak Centre has once again been asked to put on a display of Morgan Sports Cars, and once again we have been granted free admission to the event for the car driver and one passenger. As in previous years all we ask is that at least two people remain on the display at any one time. This is for security reasons and in order to answer some of the many questions that the public seems to ask us when looking round our display. Those who have attended this event before know what a good weekend it is and will no doubt wish to attend in 2009. Passes however are again restricted and I therefore need to obtain a rough idea of the number of people interested in attending. Nearer the time a definite commitment will be required from those who wish to display.

**Opening & Closing Times - Gates open for General Public at 9.00am, closing ceremony at about 6.30pm.**

### Invitation to Attend

All TORMOG members together with any other MSCC member has been given a cordial invite to join the High Peak Centre at what promises to be one of the best ever week-ends of motoring entertainment during 2009, at this year's Cholmondeley Pageant of Power.

We have been promised a first rate 'special display area' alongside the main track and have obtained special dispensation which will allow us to attend the event each day rather than having to place your Morgan on the display on the Saturday morning and leaving it in place over the whole weekend as is the normal procedure.

I have been assured free entry for one person (i.e. the driver) will be provided for every car displayed at the event, plus a special reduced rate for any passengers wishing to attend if booked in advance.

Make a note of the dates in your diary and let Colin Hill or Jim Richardson, know ASAP if you wish to attend this prestigious motoring event.

### High Peak Centre (TORMOG) Display 2009 Cholmondeley Pageant of Power

## **AGM 2009**

The 2009 AGM for the High Peak Centre will take place at the Bull on Thursday 2nd April. The AGM element of our regular noggin will commence at nine p.m. All the offices are up for re-election or replacement: Chairman, Centre Secretary, Treasurer and Editor. The Newsletter Editor position is definitely to be replaced as Richard wants to vacate this role and anyone interested should put their names forward to Colin or Jim. The AGM Agenda will be available at the meeting and all members should attend if possible. Any items for inclusion in the agenda should be notified to Jim prior to the day of the meeting. If you are unable to attend and wish an item to be discussed then again please notify Jim prior to the day of the meeting.

## **Sprinting Taster Day - 29th March Curborough**

The annual MSCC Sprinting Tasted Day will take place at the Curborough Sprint Track near Lichfield on 29th March. This event is organised by our very own Simon Baines and is always a popular event. If you are quick there may still be some places left, just get in touch with Simon. There is always a strong TorMog presence at this event, so please do go along and enjoy the day. Marshalls and spectators are all welcome and there is plenty of time for a chat.

## **And now the good news:**

This is just about the last issue of Tormogger to be edited by me, as there will be a NEW editor next month, after the Annual General Meeting..
